Discounted Online CE courtesy of NAAA

We offer continuing education for insurance agents in the following states:

Alabama	Arkansas	California	Colorado	Delaware
Georgia	Idaho	Illinois	Indiana	Iowa
Kansas	Mississippi	Missouri	Montana	Nebraska
Nevada	New Mexico	N. Carolina	Ohio	Oklahoma
Oregon	Pennsylvania	S. Dakota	Tennessee	Texas
Utah	Vermont	Washington	West Virginia	Wisconsin
Wyoming	CFP/CLU designations			* Please Note requirement.

* Must have a professional designation to qualify for home study or Internet courses. This is a WI requirement.

Some states have home study and Internet study restrictions (i.e. only half the required hours may be completed outside of a classroom). Call us at **1-800-735-1155** for details regarding your particular state.

It's user friendly – anyone can do it! Six easy steps:

Step 1: go online to www.UIECE.com (enter this where it says “address” at the top of your screen).

Step 2: enter your state and click on “*Find CE Now*”. If a new user, you will be prompted to register and log in. You create your own unique username and password. We recommend you use your first and last name combined as one word, such as *sueward* (it's easier to remember) for both your Username and your Password. Always use the same registration you originally created when completing additional courses – avoid multiple registrations to prevent duplicating a course.

Step 3: make sure your state is correct in the select box. Click on “*Take online test*” or “*View online course*” located below the course title you wish to complete. Be sure to note the credit hours you will receive. We are not responsible for selection errors. Some states require a monitor form. You can download that from the instruction page that comes up when you click on “Take online test”. When required, we cannot process your education until we receive the completed monitor form.

Step 4: complete the test. You do not pay online until AFTER you pass. You pay online ONLY if you pass. Once you do pass, click on the blue box that says “Order Cert” and complete payment by clicking on “View Cart or Checkout” in the upper right hand corner of your screen. From there follow the prompts. Discounts do not apply to any additional options ordered such as faxes or overnight shipping.

Step 5: state your affiliation with NAAA for a reduced cost. National Auto Agents Alliance members will receive a 20% discount on the course price making each online course \$20 rather than the normal \$25. Because this is a special arrangement made on your behalf by the NAAA, it will not be reflected online in the price that comes up. In order to receive this discount you MUST type NAAA in under the “Comments” section. “Comments” will appear on the bottom of the credit card payment page. If you are paying under the “Other Payment Option”, type in NAAA in that section along with your payment information. No refund is available if you forget to type in NAAA on your original order.

Step 6: once payment is made and, where applicable, the monitor form has been faxed to us, you are done! We will process your education within 24 hours Monday through Friday, excluding holidays. Once your education has been processed we will send you an email to the email address you listed on your registration. We will also mail your certificate at this time to the address you listed online. In those states that allow it, you may also print off your certificate by going to “View my account” and clicking on “Print Cert”.

Always click on “log off” when you are done to secure your site.

That's it! You're done with your education.
